

COVID-19 EVENT CHECKLIST

Low density

- Ensure fewer opportunities for transmission by keeping attendees 6 feet apart.
- Grit 'N Wit events have staggered starts and multiple challenges/puzzles per station to facilitate social distancing.

Outdoor

- Reduce the risk for transmission by offering outdoor activities.
- Grit 'N Wit courses can be created on a football/soccer field or spread across an entire campus.

Conducive to Hand Hygiene

- Prevent the spread of coronavirus. Clean hands are safe hands.
- Grit 'N Wit offers hand-sanitizing stations positioned throughout the course.

Supportive of Health and Wellbeing

- Help students and faculty take care of themselves and cope with stress by offering a way to stay healthy and exercise.
- Grit 'N Wit is a fun, unique, inclusive, and engaging event that challenges students physically and mentally.

Flexible

- Engagement is essential for students. Flexibility is essential for schools.
- Grit 'N Wit's inclement weather policy now applies to COVID-19. If conditions are not conducive to a great event, we'll move your event to another date for FREE.
